

TRUST GOD TO TAKE CARE OF YOU, SAYS JESUS

[Galilee] — Jesus climbed a hill so he could get a better look at a big crowd of people. They wanted to hear him tell them how to live together in God's kingdom.

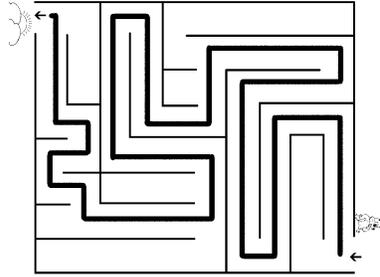

One of the things Jesus told them was not to worry about having what they need. He said God would take care of us if we trust him to do it.

Jesus said, "Look at the birds. They don't worry about having enough. God gives them what they need to eat or make a nest. Or look at the grass or the flowers that grow wild out in the field. God gives them beautiful, colorful clothing. They don't seem to worry about anything."

Jesus told the big crowd who sat around him on the hillside they should learn to trust God completely. Maybe God will not give us exactly what we want, but God will see to it that we have what we need. We may not end up living in a mansion, and we may not have expensive clothing, but we will have enough.

Gus The Gospel Gopher says: "Jesus taught us to trust God and not worry how to live our life. When it's hard to find our way, God promises to help us." Now you can help Gus travel on his way by drawing a line from Gus to the end of the path without getting trapped somewhere along the way.

Make a Square. Play this fun game with a friend. Each of you takes turns connecting two lines together. When your line completes a square, you win that square. When you win a square, either write your initial in it or color it your color. Then you get another turn! The one with the most squares wins!
