## SUNDAY ACTIVITIES FOR CHILDREN

*[The region of Galilee]* — Now that Jesus has been brought back from the dead his followers have wondered what would happen next. They wondered what their own job would be, now that Jesus is ready to go back to heaven.

Jesus answered his friends' questions by meeting with them on a hill here in Galilee. Galilee is where Jesus started his ministry, back before he went down to Jerusalem to die. Galilee was where his first followers, the fishermen Peter and Andrew, James and John, first worked. So it was a good place to come for one of Jesus' last messages to them.

Jesus told his followers to go out and tell everybody they could about God's good news. He told them to teach people what he first taught them. He told them to begin to baptize people, using God's three names: Father, Son, and Holy Spirit.

We call these three names for the same God "the Trinity." Trinity means three-in-one. Jesus is part of the Trinity of God.

*Matthew 28:16-20*
