

DO WHAT YOU CAN, JESUS SAYS

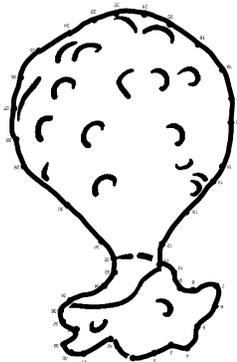

[Jerusalem] — Jesus taught great crowds of people who came to the temple in Jerusalem. They had heard about his teaching up in his home territory of Galilee. Now that he was finally in their city, they wanted to be sure to hear what he would say.

But not everybody who listened to Jesus liked what he was saying. Jesus knew this, so he used picture stories [parables] to get them to listen. In one of his stories, Jesus told about three servants. Each was given some money from his master. The master knew that all three servants had the ability to make the money grow and become worth even more. He told each one to use the money that he gave them wisely. Then the master went away.

When the master came back, he discovered that two of the servants had made their money grow. The third servant had hidden his money. It had not grown at all. The servant was scolded for not using his ability to do better. Jesus wants us to do what we can for God.
