

# JESUS IS ALIVE AGAIN!

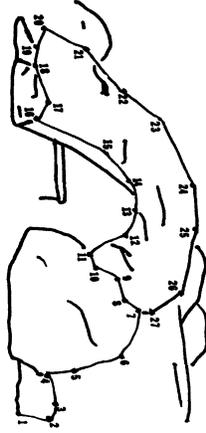

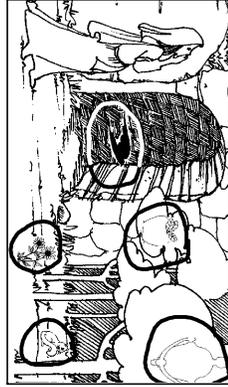

(Jerusalem) — An amazing thing happened at a cemetery just outside of Jerusalem. Some Roman soldiers buried Jesus' body on Friday. He had been killed on a cross on a nearby hill. When they put his body into the tomb, which was like a dark cave, they had rolled a heavy stone across the front door so that nobody could go inside.

Two days later, on Sunday morning, some of Jesus' friends came to the tomb to see what they could see. By the time they got there something unbelievable had already happened. The heavy stone was rolled away from the door and the tomb was empty!

The soldiers didn't know what had happened. Some people may have thought Jesus' body had been stolen. But one of the women, Mary Magdalene, saw Jesus alive again!

**Gus the Gospel Gopher says,** "Some things are hard to believe. I've never seen a gopher die and come back to life again. But a person did one time! That's what Easter is all about. Here is a picture to finish. Connect all the numbers to see what it is. It will remind you of what happened to Jesus on Easter Day."
