

## WHAT TO DO WHEN YOU'RE WORRIED

*(Jerusalem)* — Jesus' friends, the disciples, were worried. They were not sure they could get along without Jesus. They knew that they could not even get along with each other without fighting sometimes. They also knew that there were a lot of enemies in the world who could cause them problems.

Jesus knew about the worries that his disciples were feeling. He knew that they needed to feel peace inside of them so that they would not worry about all the troubles of the world. He promised them, "If you stay close to me and trust me and my Father, I will give you peace in your heart. It is better peace than you can get from anywhere else. It will make you calm and sure and strong enough to live the way God wants you to."

*John 14:23-29*

C35

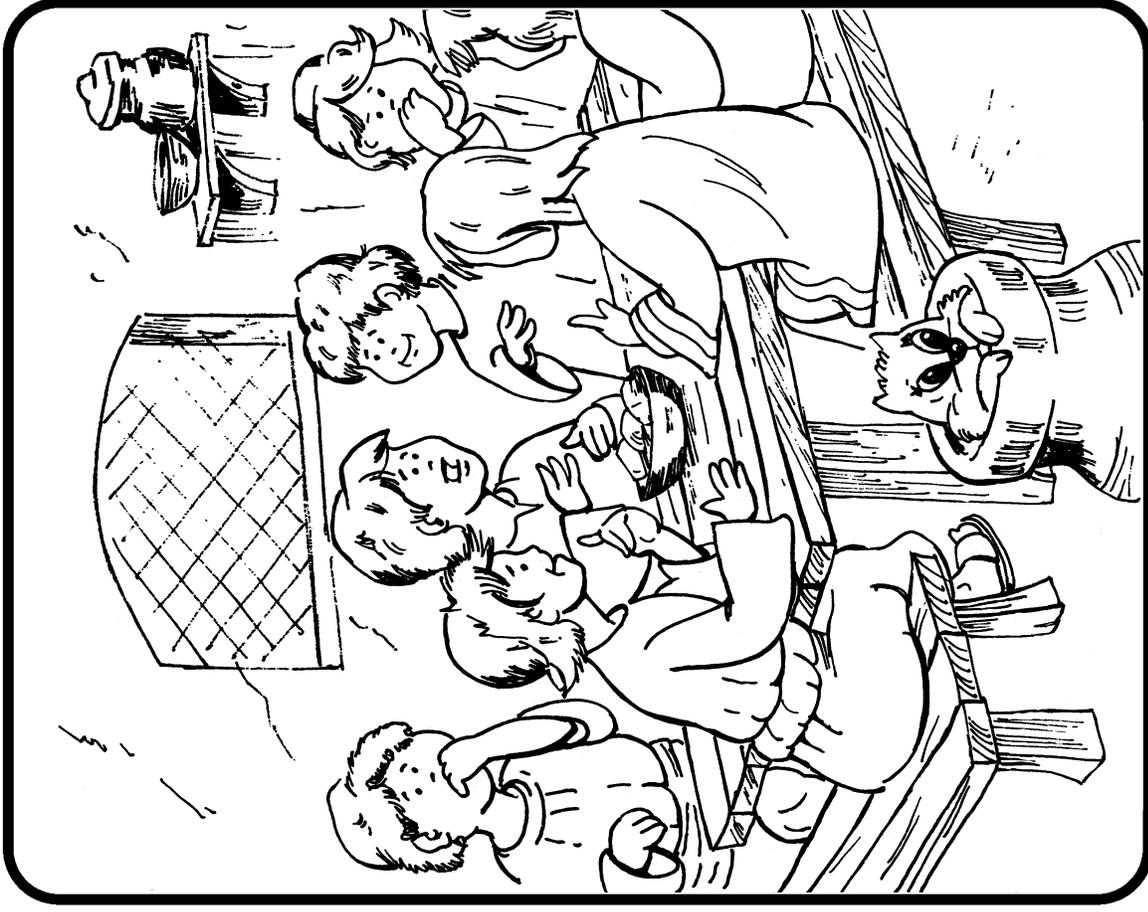

Count the Doves:  
7 doves

Hidden Message:  
Trust God and you will have peace.

## SUNDAY ACTIVITIES FOR CHILDREN

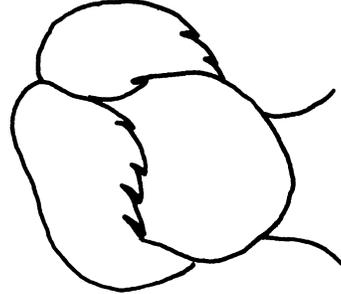

**Hidden Message.** Here is a picture of a dove, the symbol of peace. Inside the dove is a trail, along which you can find a lot of letters. Follow the trail with your pencil. As you come to each letter, write it on one of the spaces below, using the first space for the first letter. When you are finished, you will have a special message.

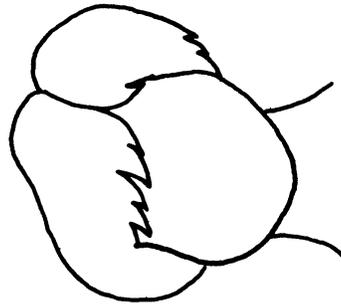

Start Here

**Gus the Gospel Gopher says:** "People who do not trust God spend lots of time worrying. If you trust in God you can have peace. Here are two faces of children. You can finish them. Give the face on the left side a worried look. Give the face on the right side a peaceful look. You can do this by the way you draw the eyes, the eyebrows, and the mouth on each face.

A worried face.

A peaceful face.

**Count the Doves.** How many doves can you find in the picture below?
