

A DEAD MAN COMES BACK TO LIFE!

(Nain) — A terrible thing happened in this small town one day. A woman whose husband had already died was left with only one son to take care of her. Her son was a young man when he got sick and died. Now the woman wanted to die too. She had no hope left.

Jesus felt sorry for the woman. She had had more trouble than she needed. When he came to the town of Nain where she lived, they were already on the way to the cemetery to bury the young man's body. Jesus did something nobody expected. In fact, a lot of people had a hard time believing it even after they saw it. Jesus stopped the funeral procession. He touched the young man. He commanded him to get up. The dead man came back to life right before his mother's eyes!
