

# NO REFRESHMENTS FOR THE PARTY!

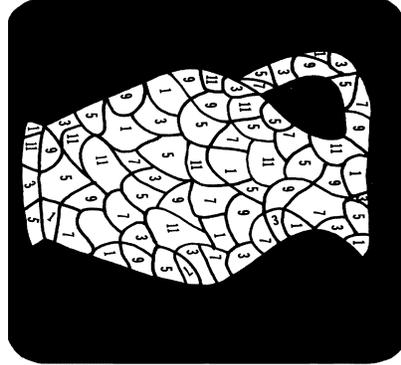

*(Cana, Galilee)* — Jesus was invited to a wedding party. Everybody there was happy for the bride and groom. They ate a lot of food and drank a lot of wine. But just when everybody was beginning to enjoy themselves, the wine ran out! The party would be over much too soon!

When Jesus' mother, Mary, saw the trouble, she asked Jesus to do something. Jesus saw six great big jars the people used to wash themselves. He told the workers to fill all of them with water. When they did it, Jesus told them to take some of it and serve it to the guests.

The workers thought, "We can't serve water when we should be serving wine!" But they did what they had been told. The water was now wine!
